Final Day Riversdale Ladies Cup 2007  
Wednesday 28 February 2007

The start of the day saw last year's champion, In-Hong Lim from Riversdale with a lead of 2 and a tough day ahead of her with Emma Bennett from Kingston Heath and Whitney Hillier from Joondalup Country Club playing excellent golf in the preceding days.

As the day progressed, the intensity increased as the girls progressed to a nail biting finish.

In-Hong Lim extended her lead on the last few holes and came in victorious with a back to back win. She shot 74 with a total score over the 4 days of 291.

Just behind her, Emma Bennett, Jessica Noh, Helen Oh and Rebecca Flood all finished on 294 with Helen Oh taking out 2<sup>nd</sup> place on a countback; Oh scored the best score of the day with a brilliant 71.

In-Hong looked calm, but when asked later she said she was nervous all day – the fifteenth was the hole of the day for her – after 3 shots which just put her back on the fairway, a superb shot put her on the green 3 feet from the pin – she then putted in to save par.

A wonderful day's golf with excellent play.
